MEETING OF BRAGA 2026

PRESENTATION

The 8th edition of the Braga Meeting is organized by the Braga Athletics Association, with the collaboration of the Braga City Council and the Portuguese Athletics Federation and support from the Portuguese Institute of Sport and Youth IP. It takes place in the late afternoon of July 11, 2026, on the athletics track of the emblematic 1º de Maio Stadium, in Braga, Portugal.

The competition is part of the Meetings Circuit of the Portuguese Athletics Federation, having been the best placed Meeting in the World Athletics Competition World Rankings in the last three years. Increasingly established as a benchmark competition in the national calendar of the sport, this international athletics competition is also positioned as one of the best in the Iberian Peninsula, with increasing demand from high-profile international athletes, who recognize the Braga Meeting as providing good conditions for achieving their best performances. Evidence of this can be seen in the various national records that have been achieved in recent editions, especially in running events.

For the second year, the Meeting of Braga will be part of the **World Continental Tour Bronze Level**. In 2025, the Braga Meeting was ranked as the 106th best track and field competition in the world according to the World Athletics Competition Performance Rankings.
